

Tobacco On Our Stamps; Many Countries Have Pictured The Weed

Collectors of Topical stamps may have overlooked this one, Tobacco on Postage Stamps. It has remained for Moe Luff of New York to work up the subject and a very creditable showing of stamps which picture Tobacco or some use of Tobacco has been gathered together.

George Yale, 1083 Sixth Avenue, New York 18, N. Y. publishes a small magazine called "Smoke Signals". This is a handsomely printed little pocket size booklet and in the latest issue of same is an article covering three full pages which lists many stamps and pictures others which have to do with Tobacco on Postage Stamps.

Besides listing several United States stamps there are stamps from Cuba, Ecuador, Paraguay, Honduras, Austria, Sweden, Bulgaria, the USSR, Czechoslovakia, Nyasaland and other countries.

Copies of this booklet will be sent anyone who will address the publisher as above and mention Linn's Weekly Stamp News.

Stamp Collecting Featured In Life; Harmer Does It Again

Life Magazine for February 18th gives practically two full pages to the Roosevelt Stamp Collection and features the picture of Bernard Harmer before his office safe, piled full of Roosevelt albums.

Two following pages picture large reproductions of some of the questioned proofs and trial printings.

Publicity of this kind is of inestimable value to the hobby and Mr. Harmer is to be congratulated on this scoop in a magazine of such national circulation.

Probable Design For Tennessee Stamp

A letter from Kenneth Hinson advises us that the Post Office Department is considering a design for the coming Tennessee stamp as proposed by the State Historical Society.

The proposed design will include the State Capitol Building and portraits of Andrew Jackson and Governor Sevier, first Governor of Tennessee.

The above design is one suggested by Mr. Hinson himself who is quite an artist and a thorough Philatelist. Hinson has only recently returned from service in the Pacific.

Old Time Washington Dealer Celebrates Golden Wedding Date

Mr. and Mrs. Harry B. Mason were guests of honor recently at a reception at the home of their daughter, Mrs. Dorothy Mason Rynex, Washington, in honor of their golden wedding anniversary. The affair was arranged by Mrs. Rynex and another daughter, Mrs. Margarita Bain, who came from Larchmont, N. Y., with her husband, Clyde S. Bain, for the occasion. The Masons have one grandchild, Richard Buffum Rynex, 12.

A four-tiered wedding cake, decorated with white roses and gold leaves, centered the refreshment table. The couple was presented with a basket of yellow daffodils by Federal Masonic Lodge, Washington, of which Mr. Mason is the dean, and there were about 35 guests.

Mrs. Mason, the former Miss Alice Hammond, was born in Washington, where she and Mr. Mason, a native of Oxford, Mass., were married. They have lived here for 30 years.

We have a small lot of heavy weight cellophane tubes that are open on each end, similar to Crystal Mount. The composition is approximately 4 times as heavy, however, and makes a durable protection for your rare covers. This is pre-war material and difficult to obtain. Price is \$6.00 per 100 postpaid. Sample envelope sent on request, for 10c in stamps.

Special Relief Set Issued By Polish Army In Italy

Polish Military Headquarters in Rome issued a set of 4 stamps to be used by the Forces of the II Polish Corps in Italy and by the Civilian Refugees of Polish origin settled in the Italian Provinces of Trani and Barletta.
1 Lir blue reproducing the highest Polish Military award "Virtuti Militari" Cross and the Polish National Anthem.
3 Liry red showing a mediaeval grenadier and a modern Infantryman holding a Tommy-gun; in the background a map of Poland before last partition.
5 Lirow purple an unarmed soldier in coveralls with his hand on a child's head and a woman clinging to his arm; in the upper right hand corner is a symbol with the wording "War Relief Services—N. C. W. C."
10 Lirow pastel green showing the map of Italy spotlighting with the white Polish Eagle the Provinces where the Polish Refugees are settled. At the lower left corner are two shields with Coat of Arms.
These stamps were printed in sheets of 200 and cut in panes of 50. Each pane has in the lower right corner 1, 2, 3, or 4 periods. The left margin contains an imprint in Polish "POCZTA OSIEDLI POLSKICH W ITALII." The stamps were printed by the Italian Government Printing as per imprint on bottom of each stamp.

A. F. Bassett Hull Famed Australian Collector Passes
A. F. Bassett Hull of Sydney, Australia, died September 22, 1945. Mr. Hull was known around the world as a writer on Philatelic Subjects and was one of the foremost authorities on Australian stamps.
The chief interest of Mr. Hull was in the collecting of the Fiscal or Revenue stamps of the world and I believe it can be said that his collection of these stamps was second to none.
Thanks are due Mr. W. F. Scholl of Lake Worth, Florida for information concerning the death of Mr. Hull.

WE FEEL LIKE STRIKING TOO

For the past two or three months all we have heard on the Radio in news matter is concerned with strikes. While a new automobile is not essential to our business, it could give us a lot of pleasure which we have been anticipating for the past two or three years. While a ton or two of steel will in no way affect our personal pleasure to an extent that will make us suffer, we do know that it will have some effect on our daily life. While the things with which we are most concerned in carrying on our business are not strike bound at present we do have a sneaking suspicion that all this strike business is so interrelated to business as a whole that we are getting fed up on the matter. For our own part we have difficulty in getting enough material, enough envelopes for instance to properly mail out things we want to mail. It takes too long to get them, paper of certain kinds is unobtainable except in dribbles and all in all, we are always short of something in an order so that to fill an order we have to do it piecemeal or hold it up and wait for something else, or use extra postage in sending part now and the balance later. This adds to cost as we can not try to collect this extra few cents on these orders.

Yesterday we finished fixing up our annual income tax report for last year and it knocked us for a loop. We are paying the Government as much money in taxes as we would have been glad to have for a years salary when we were younger.

The whole country is getting so cockeyed that we sometimes feel that we too ought to strike and go somewhere and sit by the lake and fish till other people get ready to go ahead. The only drawback to that kind of a thought is that in a business like ours we have obligations to so many people that it never occurs to us to let them down. We are one of those kind of fellows who just believe that we ought to try to meet our obligations come hell or high water and that is the reason we will not strike. We intend plugging along and hoping that the other fellows will soon get tired or hungry enough to go to work.

TO SHOW PART TWO OF ROOSEVELT COLLECTION

(Continued from page 1)

started by his mother, Mrs. Sara Delano Roosevelt, and which grew into his most complete single showing of stamps will also be there. This, the President claimed, was his most treasured philatelic possession, and well it might be since some of the best items were obtained from old family correspondence from that far off colony during the middle of the last century. Collectors fortunate to secure items from the Delano family business correspondence will have items of especially philatelic connection with the late President.

Among the beautiful and rare presentation albums and collections will be one of Russian stamps presented to Roosevelt by Maxim Litvinov while the latter was Russian Foreign Minister. Several volumes of stamps from the Vatican are included and also an unusually fine collection of Czechoslovakia as well as some from Poland, Greece, the Prince of Monaco and other individuals and philatelic societies from all over the world.

In the popular British Colonial section are represented Canada, Newfoundland, including scarce airmail covers, Barbados, Bahamas with Columbus Landfall issue and covers, Montserrat, St. Kitts-Nevis, St. Lucia blocks, Ascension blocks and covers, St. Vincent and Antigua as well as a number of other countries. An interesting cover from Gambia contains stamps of the 1938 issue on a cover flown on the first oceanic flight from that African Colony.

One especially interesting item of historical significance on display will be the grim, fake "Hitler Sheet", somewhat similar in design to German stamp #B102 of 1937 but portraying the Hitler head as a skull beneath which are a number of graves. In the top corners are a pair of gallows and across the bottom the words "Deutsches Reich 1944". The inscription at the bottom of the sheet remains the same as in the original. These miniature sheets were issued by the Office of War Information as part of its propaganda program in Europe and were sent by Allied agencies through the Underground to the relatives of German war casualties. They were presented to President Roosevelt by William J. Donovan, director of the Office of Strategic Services.

In addition to the Roosevelt Collection, active members of the Garfield-Perry Club will show collections in competition for the Lagerloef Trophy which is annually awarded by the club and always the subject of keen com-

petition. Continuing the successful innovation started two years ago, will be the "Novice" competition consisting of six album pages of stamps averaging not more than thirty cent per stamp and not previously shown in any competition. For the best exhibit in the Novice class, which is open to the public, a cash prize of \$10.00 will be awarded.

Assisting George C. Hahn as General Chairman of the March Party will be Charles I. Ball, handling the Exhibition; Nelson P. LaGanke, the Bourse; Ernest W. Miller, hotel arrangements and Ray W. Tiede, finances. Rounding out this capable committee are Dr. Jack Gluck, entertainment; Ernest Rankin, reception and Charles I. Ball, E. N. Moore, E. D. Piper and Donald W. Martin, publicity.

For the Exhibition, the Committee has secured the Grand Ballroom of the Hotel Hollenden where the display will be open to the public free of charge from 11:00 A. M. to 10:00 P. M. on Saturday, March 9th, and from 11: A. M. to 6:00 P. M. on Sunday March 10th.

Starting out the 56th Annual Party will be an informal dinner at the Hotel Hollenden at 6:00 P. M. on Friday, March 8th, followed by a regular meeting of Garfield-Perry Stamp Club at 8:00 P. M. with entertainment and refreshments. Saturday will see the opening of the Exhibition, a Hi-Hat Auction by the Mint Sheet Brokerage Co. at 3:00 P. M. and a banquet at 7:00 P. M. with special entertainment prepared. Also at the banquet will be the awarding of the Lagerloef Trophy, Robison Trophy, Hennen Cup, and the Hanford Trophy of which President Roosevelt has been a former recipient. Tickets for the banquet, which will be held in the Assembly Room, are \$3.50.

Approximately thirty dealers will be present at the Bourse surrounding the Exhibition in the large and well-lighted Ballroom. Another feature will be the display by Ezra Cole, to interested persons, of the portion of the Colonel Green Collection that will be auctioned by Harmer, Rooke & Co. The Green Collection will be available for inspection at the Hotel Hollenden and not at the Hotel Cleveland, as had been previously announced.

Officers of Garfield-Perry, which now has 273 members, are Russell C. Hagans, President; George C. Hahn, Vice-President; E. N. Moore, Secretary; R. W. Tiede; Treasurer and Charles I. Ball, Ernest H. Rankin, Dr. Jack Gluck, Ernest W. Miller and E. D. Piper, Directors.

It is not too late to plan to attend this outstanding philatelic event and the program arranged by the Committee guarantees an exceptionally good time for every-

THIS 'N' THAT WITH THE TRADE

Frank Herget's bulletin "Bargain Flashes" is at hand; an interesting 12-page folder with nicely gotten up listings, boxed offers and supplies... Speaking of bulletins, the monthly issued by Elm Stamp Company's Stamps of the Month Club should keep members on their toes. So far this year an auction, a contest and of course several pages of new issues...

If this paper made awards to pioneer advertisers, M. Ohlman would be first on the list. Known to everyone in the trade, Mr. Ohlman has been in our ad columns since Vol. I, No. 1, which means we soon begin our 19th year with his continued support. Saluda, M. Ohlman! ... S. Friedlander of the big town's Zenith Stamp Company has been soaking up vitamin D in Florida and, we suspect, Cuba although we lack confirmation of the latter. Brother! If we had just been able to keep him company! ...

The H. E. Harris "Airmail Stamps of the World" hit our desk a week or two ago with the big bang that only a 144-pager can make. Really as beautiful as it is big, profusely illustrated, and about as close to an airmail collector's handbook as any aeropricelist these days...

Mercury Stamp following right up with another auction on March 14 and 15 of U. S. and possessions which they tell us is strong in rare blocks and full sheets, as well as covers, singles and sets... J. Barwick, who just received his service discharge and whose unusual ad was in last week's paper, predicts the flag stamp to be better than expected because he saw thousands used on packages to G. I's overseas, especially at Christmas 1943 and 1944. Food for thought...

AIR MAIL COVERS

SAMUEL S. GOLDSTICKER, JR. (Dept. Ed.)
 163 Mt. Prospect Avenue Newark 4, N. J.

Nonstop service between Newark, N. J. and Minneapolis and St. Paul, Minn. on AM-69 (Northwest Airlines) is expected to start on or about March 1, 1946. Since this will be the first time that Newark has been served by Northwest Airlines, this flight should be listed in the official catalogues. Airmail Postoffices exist at both Minneapolis and Newark, and these points should be covered as well as the city postoffices.

The first flight of the extension of AM-29 from Hobbs, N. Mex. to Tulsa, Okla. planned for February 15th has been postponed until Tuesday, March 5th. To commemorate this first flight, Continental Airlines are sponsoring special unofficial cachets at all points to be served by this new service (Hobbs, New Mex.; Lubbock, Texas; Wichita Falls, Texas; Oklahoma City, Okla.; and Tulsa, Okla.). In addition, there will also be cachets at El Paso, Texas (where the flights will originate) and at Carlsbad, N. Mex., an intermediate stop between El Paso and Hobbs.

I think it would be very appropriate at this time to make a brief review of the first flights which have taken six weeks of 1946. In some instances information is lacking to complete the reports, but I will give you all available major information.

The first flight to take place during 1946 was on New Year's Day; when Huntsville, Alabama, was added to AM-40 (Eastern Airlines) as a stop between Nashville, Alabama, was added to the route, Tenn., and Birmingham, Ala. There were no cachets or other special markings applied to covers at Huntsville. 100 covers were flown north thru Nashville, postmarked 12:30 p. m.; while 325 covers were flown southward (thru Birmingham) postmarked 12:30 p. m. also.

A few days later, on Jan. 5th; Detroit, Mich. was added to transcontinental route AM-1 as a stop between Akron, Ohio and Toledo, Ohio. United Airlines sponsored a special cachet showing their map and the skyline of Detroit, which was applied in either red or black ink. Covers are postmarked (with quantities parenthesis): Detroit postoffice-east 11:00 a. m. (472); Detroit Postoffice-west 3:00 p. m. (742); Detroit AMF-east 12:00 m (153); Detroit AMF-west 2:30 p. m. (180).

The next flight was also a few days later, on Jan. 5th. This map was the addition of Brunswick, Ga., to AM-54 (Delta Airlines) as a stop between Savannah, Ga.; and Jacksonville, Fla. The same type cachet that was used when

Delta Airlines inaugurated service on their initial Chicago-Miami service November 20th was used at Brunswick, and was applied to covers in magenta ink. 253 northbound covers were postmarked 10:30 a. m.; while 161 southbound received cancellations of 2:30 p. m.

On January 12th and 13th, Palm Springs and El Centro, Calif. were added to AM-13; and on January 16th, Odgen, Utah was added to AM-1. Since these flights were rather complex and my space is running short, I will defer these reports until next week.

On January 20th, the Nashville-Huntsville service on AM-40 was changed to a Memphis-Huntsville flight. There were no cachets at either point. Memphis dispatched 167 covers postmarked 7-AM Jan. 20, 1946. However the return flight (Huntsville-Memphis) did not occur until Feb. 3rd, when Huntsville dispatched 127 covers into Memphis, postmarked 4:30 P. M. The Huntsville Postmaster inscribed in ink on each cover, "FIRST AM-40 HUNTSVILLE-MEMPHIS L. S. COLLIER, P. M."

 The addition of Ottawa, Ont. to AM-72, originally scheduled for Feb. 1st, has been temporarily postponed.

 On Monday evening, February 25th, a special showing of one of

ARE YOU SELLING?

If you are in the market to sell your collection or accumulation of stamps or covers—You do not want to know how many thousands of dollars I spent—You do not want to know how many more thousands I have to spend—You are not interested in a dollar sign with many numbers after it except on the check I give you —You are not interested that John Jones thinks he did best by selling me his collection or that he received more than he figured he would obtain for his holdings.

YOU ARE INTERESTED in what you can obtain for your collection and that I pay immediate cash for all lots purchased. You will also be interested in knowing that if your holdings are large you do not have to ship them as I will travel any distance to view a substantial collection or accumulation. You will also want to know that I purchase any type of material in any quantity. Whether you wish to sell direct or through Auction it will pay you to write, call in person or phone Beekman 3-5443 now or in the future.

FARNELL,
IOWAS.P.A. Gives Service
To Its Membership

A stamp Expertising Committee was set up at the end of 1944 by the Society of Philatelic Americans—it has completed its organization and set up its techniques and methods and is issuing signed and sealed certificates of expertization for stamps submitted since shortly after the middle of 1945. With the aid of some thirty-odd philatelists within the S. P. A., each of whom is well informed on one or more countries, the Committee has thus far been able to care for all stamps submitted.

The certificate issued for each stamp found genuine has a photograph of the stamp attached, product of the analytic photographer, Raymond Kershner of Philadelphia. The Committee's judgement includes not only genuineness but also correct identification and examination for absence, repairing or alteration. Certificates are issued only for stamps which pass all tests. When a stamp is found not genuine, or altered, no certificate is issued and a correspondingly lower fee is charged.

Information as to the fees, time required, etc. may be had from the S. P. A. Expertising Commit-

tee chairman, Ignatz Reiner, 55 West 42nd Street, New York 18, N. Y.

The S. P. A. has set up a Translation Service, open to all members of the Society without charge. The staff of translators handles a letter or paragraphs of printed matters, not to exceed 20 lines, translating it for members. This service also extends to translation of postmarks or other postal markings on covers. For information on S. P. A. membership write S. P. A., P. O. Box 92, Detroit 31.

Design Of Australian
Peace Stamp Issues

Our correspondent in Australia, Mr. R. C. Dittman sends us a newspaper clipping picturing the new Australian Peace Stamps which were scheduled for first day issue on February 18th. This set is an attractive one, the pictures in the newspaper will not reproduce so we can only attempt to describe the stamps and since the pictures are not too clear that will not be too easy.

The first is of oblong format, a 2½ penny red for ordinary internal and Empire postage. The stamp pictures a medal or badge with the word "PEACE" in large double lined letters across its face the denomination values in each lower corner and the word "POSTAGE" in small letters at the bottom. The word "AUSTRALIA" is immediately above the word PEACE on the badge.

The 3½ penny is in blue, for foreign postage. This is of oblong format also and pictures a flag with the dove of peace.

The 5 ½ penny stamp is green for ordinary internal rate, plus registration or airmail. This is of up right format with an angel of Peace at the top. Denomination value in a tablet at bottom and at either side two symbolic figures.

These stamps will be on sale for about three months only. This is the first Australian commemorative set in which different designs have been used for each of the values and should become a very popular set.

Writing under date of January 2, Mr. Dittman stated that at that time he had over 800 first day covers to mail for Linn's readers.

Great Britain Prices
High In Great Britain

H. R. Harmer Inc. send us details of some exceptional prices from the Sydney H. Carter Collection of Great Britain sold at their London office on February 4, 5.

The Prince Consort essay in black, perf., brought \$76; a magnificent mint block of the 1840 "no lines" 2p deep blue \$1240; the 1841 1p red-brown from Block Plate 1b, unused \$200; an o. g. block of four of the 1864 1p rose-red plate 225 \$192 (full Stanley Gibbons); the 1860 1½p rosy mauve (listed by S. G. as No. 53a at \$58); 1847-54 10p unused in a deep rich chestnut shade \$60, the 1856 1sh. green \$44—it is interesting to note that S. G. consider the 1sh green to be rarer than the pale green cataloguing them at L11 and L7 respectively. Scott catalogue reverses this and prices

UNITED STATES HALF CENTS

It may be a surprise to some to know that only about one half cent piece was struck for each 100 large cents. So all half cents, but five or six dates are comparatively scarce. The U. S. half cent seems to be coming into its own today and rightfully so. Auction sales show that any date of half cent in perfect condition brings from \$1 to \$2, no matter how common the date.

UNITED STATES SMALL CENTS FLYING EAGLE

AN EXPLANATION
We find from a general survey of dealers' stocks that from 1% to 10% of their uncirculated coins are brilliant uncirculated specimens, depending upon dates, of course. The balance of their stock consists of uncirculated specimens that may be dark, olive color, chocolate color, many two-tone part brilliant and part discolored, and others with carbon spots. Such coins, while uncirculated, form the majority of any dealer's stock and are not acceptable to discriminating collectors.
The percentage of brilliant coins is so small that a correct interpretation of values might be 10 times the price of an ordinary uncirculated specimen. In forming our prices, we feel that the brilliant uncirculated column, while at first glance appears to be unusually high in price, is actually the less expensive form of an investment for a collector and he is obtaining a coin which is actually 10 times as scarce as an ordinary uncirculated specimen and is paying but a fractional premium for such. Coins before 1880 in brilliant uncirculated condition are rare and difficult to obtain at any price.

*All 1922 Cents were coined at Denver. Apparently the die from which these coins were struck became worn so that the mint mark "D" did not show on several hundred coins that were released for actual circulation. The number of coins without the "D" is comparatively small and consequently they bring a higher price than the regular issue.

JAPANESE PHILIPPINE INVASION MONEY

When the Japanese occupied the Philippines, they destroyed all American Philippine money and issued a series of their own. These notes have been accumulated by service men in the area. Many have been found on dead Japs and similar sources. There is a great similarity in the peso values to American banknotes where the Japanese tried to imitate our methods of engraving. We offer a small supply of the notes at the following prices:

1 centavo...\$.50 1 Peso...\$ 1.00
5 centavo...25 5 Peso...1.50
10 centavo...45 10 Peso...2.50
50 centavo...45 100 Peso...5.00
Complete set...\$11.25
Short set of 10c, 50c, and 1 peso...1.00
The nominal pre-war value of the peso was 50c. On this basis many of the notes are priced at less than their original face value. This offer is an unusual item to be added to your collection.

At a regular meeting of SEPAD, the associated stamp clubs of Southeastern Pennsylvania and Delaware, new officers were chosen as follows: President, William G. Higginbotham Vice-President, Milton, F. Cohen; Secretary, Irvin D. Wolf; Treasurer, Herbert Feist.

The Board of Directors consists of Walter S. Arn, William L. McHugh, C. Stuart Olmsted, John Y. Pennypacker, Marjorie V. Wamsley and William M. Wilson.

Tentative plans have been made for the annual Sepad Exhibition to be held October 18, 19 and 20, next. Formal announcement, however, as to the place, the director and other details will be made later. It is hoped that the 1946 show will be bigger and better than the splendid show of last year.

THE PRETTIEST GIRL IN ALL PHILATELY—YOURS FOR FREE!

That's her, the fascinating little lady shown in Norway's striking 1945 Red Cross stamp. This is a flaming red item which'll add flash, color and distinction to any collection. The face of the nurse pictured shows sympathy, understanding, intelligence and a sheer love for life itself. Flaming dark eyes defy you to ignore her. She's cute, charming and simply a riot of reckless appeal to both men and women.

And the coiffure this dainty little heart-throb models will tug at the imagination of you ladies like something far, far away from this world. Not even radar discovered anything like her when it contacted the moon!

And she's absolutely free to those furnishing references and asking approvals. To others she's 15c a copy. And if you want stunning blocks of four, that'll be 50c right on the barrelhead, fellows. All mint, of course. She won't last long; come early and avoid the rush. The line forms on the right. And quit shoving, boys; "The Lady in Red" doesn't go for the rough stuff!

SING A SONG OF SIXPENCE

HOW MUCH IS SIXPENCE WORTH? That all depends on where that sixpence is. On the island of Bermuda its worth ten and one-fifth cents—on the down under continent of Australia its worth eight and one-fifth cents and yet on page 206 of Scott's 1946 catalog under Falkland Islands #71 its worth \$3.50... REMEMBER—this too was once a new issue. Keep your collection up to date. My "SPECIALIZED NEW ISSUE SERVICE" will do it for you painlessly and effortlessly. Only as much as you want to spend and no more. Just those issues you want to see and nothing else!

Pan-American's Airways' noted films, either CLIPPERS AT WAR or WINGS OVER LATIN AMERICA will be held at the regular meeting of the Essex Stamp Club, at the Hotel Essex House, 1050 Broad St., Newark, N. J. Mr. Ernest Kehr, noted philatelic writer and member of the public relations staff of PAA will also address the meeting. Readers of this column are cordially invited to attend.

Effective with the flight of February 19th, Amsterdam, The Netherlands, was added to FAM-24. A special first flight cachet was applied to covers at NEW YORK CITY for the 1st flight into Amsterdam.

The first flight of AM-72 from New York and Burlington, Vt.,

!! JUST OUT !!

Celebrating her liberation from German control, Italy has just issued a beautiful airmail set of five values all collectors will want. It is as colorful as the aurora borealis and just as pretty. Designs on the stamps are appropriate of the occasion for which the set was issued. Your World War No. 2 collection is not complete without this set; your airmail collection requires it and general collectors will admire it immensely. It's yours, five values complete, in mint condition, for 30c with approvals—but don't forget the references.

EULALIA TURNER

Box 236 Williams, Ariz.

originally scheduled for February 1st and then postponed occurred on Feb. 19th. Official cachets were used at all of these cities.

According to announcements in today's newspapers (Feb. 18th) TWA added Philadelphia to its Trans-Oceanic route (FAM-27) as an additional domestic co-terminal, Chicago, Detroit, and Baltimore are still to be added as domestic co-terminals; while service beyond France to Switzerland, Italy, Greece, and Egypt is also expected shortly.

On Wednesday, January 16th, Odgen, Utah, was added to AM-1 with very little advance notice. There was no official cachet, but the Odgen Postmaster fixed up a very attractive postmark (hand-stamp) with the words "FIRST FLIGHT" in the killer bars (somewhat similar to the First Day Of Issue) and also applied a small picture of an airplane, both very effectively applied in blue ink.

Odgen dispatched 415 covers eastward on the first flight, postmarked 1:00 P. M. Due to inferior weather conditions, the westbound flight did not occur until the following day, when 390 covers were dispatched to San Francisco. These covers are postmarked at 7-AM on that day.

Obviously, the first flight into Odgen from the west was also on

Jan. 16th. But, it was not as scheduled. It was to have originated in San Francisco and operate via Reno (Nev.) to Odgen. Many collectors sent their inbound covers to Salt Lake City, but when that Postmaster received the schedule, he returned all covers saying there would be no flight between Salt Lake City and Odgen. However, due to adverse weather conditions, the flight from San Francisco and Reno was postponed until the following day and the first actual flight into Odgen did originate at Salt Lake City. No covers are known to have been carried. If any readers know of any covers, will they please notify me immediately.

Another recent first flight was the addition of El Centro, Calif. to AM-13, and the first southbound flight from Palm Springs via the same route. The same official cachet used for the northbound flight from Palm Springs was also used for the southbound, and an unofficial Western Airlines cachet was used at El Centro.

Again due to weather conditions, these flights were also flown on a staggered system. The correct dates are:

January 12th
Los Angeles to El Centro
El Centro to San Diego (2320 covers dispatched)

January 13th
El Centro to Palm Springs and Los Angeles (156 covers dispatched)

Palm Springs to El Centro and San Diego (360 covers)
San Diego to El Centro (94 covers) and Palm Springs (119 covers).

The regular meeting of the Metropolitan Airmail Cover Club will be held on Friday Evening, March 8th, at 8:30 P. M., at the new Malin Studios, 225 West 46th Street, New York City. All cover collectors are invited to attend.

STEINWAY TO EXHIBIT

is an accurate description of the array of my offers appearing in Linn's since Jan. 31st as "Twentieth Anniversary Specials From The Moth Balls to You". I realize it's a task for you to look through an "unintegrated maze" of such offers but after four years' storage this pre-war stock of mine is an "unintegrated mess" and can't be offered in any other way. However, in pricing I'm paying no attention to replacement costs and orders from "smart buyers" are filling every mail. The "hopelessly unintegrated" portion of my stock has been made up into "free premiums" which accompany every order, large or small. Everything sold with an UNCONDITIONAL MONEY-BACK GUARANTEE, so you take no chances on seemingly vague descriptions. May I have your order now?

Dealer Specialists
Are Now The Vogue

The stamp business has become such a big thing that it takes a mighty lot of cash and stock for any dealer to cater to collectors of all kinds and to keep in stock anything like a very thorough stock of stamps of the world. For years past collectors have been specializing and in more recent years many dealers have become specialists in that they sink a good part of their investment in certain countries or in a certain group of countries.

There are those who confine their business to U. S. stamps only, others take to British Colonials. In more recent years we have noted dealers who have made a specialty of some one single foreign country, of course at the same time handling other stamps but concentrating and making a repu-

tation for themselves on some single country

One of the outstanding examples of this nature is Lester Glass of Philadelphia who long ago saw the coming interest in stamps of Russia and who has built up a splendid stock of this country. His recent offers in this paper are backed up with a new 12 page price list of these stamps which will interest any collector who is interested in this country.

Complete Brick Building
Shipped By Parcel Post

A lot of strange objects go through the post office, but perhaps the strangest was a brick bank building which was mailed from Salt Lake City to Vernal, Utah, in 1919. The post office wasn't aware of it, of course. The building was mailed in 50-pound packages of bricks.

Freight rates at the time were \$2.50 a hundred lbs. parcel post but \$1.05; and the canny contractors for the building simply took advantage of the fact. Since only 500 pounds could be sent to any one address, the bricks were mailed to a number of different citizens in the town who brought them to the bank site.

For a time, dazed mail truck drivers in both Salt Lake City and Vernal didn't have room for a single letter, what with those darned 50 lb. packages. The post office department changed the regulations to take care of such situations, but meanwhile the bank building was rising brick on brick
